Supporting Declaration

Urban Living Furniture Ltd confirms that the Nordic Queen Bedroom Set is produced using local workshop facilities in Phoenix, Mauritius. The business employs Mauritian carpenters, upholsterers, assemblers and finishing technicians. Where practical, timber and supporting materials are sourced through approved local suppliers, while specialised hardware and selected upholstery fabrics may be imported to meet quality requirements. Final manufacturing, assembly, quality inspection, packaging and dispatch are completed in Mauritius.

Supporting Evidence Included

- Local workshop register
- Employee skills summary
- Local supplier register
- Manufacturing process overview
- Final quality inspection checklist
- Product packaging declaration
