Business Registration No.	C27895413
Product	Nordic Queen Bedroom Set
SKU Family	ULF-NQBS
Badge	Environment Friendly
Evidence Type	Sustainable Manufacturing & Materials Declaration
Reference	EFP-ULF-2026-002
Issue Date	30 July 2026

Supporting Environmental Statement

Urban Living Furniture Ltd confirms that environmental considerations are integrated throughout the manufacture of the Nordic Queen Bedroom Set. The workshop seeks to minimise waste through efficient cutting plans, separation of timber offcuts for reuse or recycling, responsible disposal of non-recyclable materials, and the use of recyclable cardboard packaging. The furniture is designed to support repair and replacement of individual components, extending product life and reducing unnecessary waste.

Supporting Evidence Included

- Workshop waste-management summary
- Material utilisation report
- Packaging specification confirming recyclable materials
- Timber supplier sustainability statement
- Product repairability policy
- Spare-parts availability statement
- Internal environmental management commitment
